[Phillip Phillips - Home](#)

Welcome back Belle Valley students!! I loved seeing all your smiling faces last night and this morning. We are so happy to have you back at school!! We are going to have the BEST year. Our theme this year is "Make this place your home." It's so important for all of our students to feel comfortable at school and know how important you are to everyone here. When you are happy where you are you will do your best learning! We want each and every student to be successful! We are going to have what we call grade level families this year as well. You will hear more about this from your teachers and at our assembly on Friday. Your teacher will let you know your color so search for a shirt or shorts that color so you can wear it on Friday! This year we will have monthly character words as well. This month we are focusing on manners. We have so many wonderful things planned already! It is going to be an amazing year. I'm so happy you're all here! Have a wonderful Wednesday!!!
