

Belle Valley Athletics

Dear Belle Valley Families,

Dear Belle Valley Families, Due to the COVID-19 protocol and procedures, our athletic seasons have been drastically altered. Unfortunately, our 5th and 6th grade sports teams will not participate in athletics this year.

The Belle-Fair Conference schools are on different schedules, some schools are fully remote while others are fully in-person. There are several different dismissal times within the conference which makes the scheduling of sports very difficult.

We understand and fully support the parental decision to not allow students to participate in athletics during this pandemic. This fact has also had a major impact on forming teams. We are seeing a significant decrease in the number of students signing up for team sports.

Considering these facts, the conference decided to not have 5th/6th athletics. Belle Valley will not have the following athletic teams for the 2020-21 school year.

- 5th boys' basketball
- 5th girls' basketball
- 5th girls' volleyball
- 6th boys' basketball
- 6th girls' basketball
- 6th girls' volleyball
- Boys "B" volleyball (normally 6th/7th grade)

Please forward questions to the Athletic Director, Todd Gleadle (tgleadle@bv119.net). Thank you,

Todd Gleadle
Athletic Director
