

Immunization Data Entry Worksheet

In the green box under "Total Number of Students in the Selected Grade," enter the total number of your students in that grade. Then, use each category to record and identify how many students have or have not been immunized. The total number of students in each category will total and check against the number you entered under "Total Number of Students in the Selected Grade." If the numbers match, the validation column will say "Good." If the numbers do not match, the validation column will say "Bad."
